Food pantry has new Web site

The Algonquin - Lake in the Hills Interfaith Food Pantry has a new Web site at www.alith-foodpantry.org. The site is the work of members of the most recent Algonquin-Lake in the Hills Chamber of Commerce leadership class.

It includes the address, phone number, and hours of operation for the food pantry, plus information on who is eligible for food, how to donate nutritious foods, how to run a successful food drive, and links to other food pantries and service providers in the area.
